#### UNICO

##### Hot Water Coils

- For use with M-series Unico Air Handlers and air distribution systems
- Can be used with any source of hot water, including oil, electric or gas boilers, solar systems or hydronic combi systems
- Coils are pressure-tested and leak tested at the factory for quality control
- Compact, modular coils fit into small spaces
- ½" tubes and full-collar fins provide greater tube-fin contact for excellent heat transfer

HVAC No.	MFG Part No.	Description	Price
162248	HW2430	Hot Water Coil, Fits M2430CL1-X	\$946.49
446272	HW3642	Hot Water Coil, Fits M3642CL1-X	\$1,274.49
451922	HW4860	Hot Water Coil, Fits M4860CL1-X	\$1,328.33

##### Blowers

- Patented for use with the Unico small-duct high-velocity system
- Control box can be mounted to the top or front of the cabinet for installation flexibility
- Knockout and starter holes provided to assist with mounting
- Compact, modular blowers fit into small spaces
- EC systems are optimized for zoning with hydronic systems and humidifiers
- EC systems have soft-start and soft-stop for quieter operation
